

### REMARKS

Please enter the amendments shown above to the specification and the claims. Unrelated to patentability, the applicants have amended claims 29 and 31 prior to examination in an effort to broaden the scope of claim 29.

Also, the applicants have amended the specification to correct some reference numerals, as can be clearly seen from FIG. 1, and to clarify the meaning of the specification text.

The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. **502117 -- Motorola, Inc.**

Respectfully submitted,  
R. Crocker et al.
